Class News

Class One

Class 1 have been very busy learning at home for the past few weeks. I have been thrilled to see how many children are practising their phonics and reading everyday as well as engaging with maths activities. Our topic is 'growing' and as well as sharing non-fiction texts we have focused on 'Jack and the beanstalk'. There has been some super retelling of the story using carefully drawn story maps. Well done Class 1, I am so proud of you all and can't wait until we can be back together in the classroom.

Class Two

Class 2 have been working brilliantly from home over the past few weeks! They have been learning about shape patterns and measuring in maths with lots of super work around their house. We have been reading 'The little gardener' for our literacy and the children have been writing using lots of different skills. We have started our topic on plants, the children have been planting seeds, collecting and comparing leaves, composing songs about plants and much much more!

Class Three

Class 3 have been continuing their Roman topic work. Lots of children have uploaded their designs, creations and evaluations for their Roman shields and Roman roads. The creativity is outstanding, with lots of children using objects they find around the house to create these items!

Class Four

It has been lovely to receive all the hard work that has been done by Class 4 on Dojo over the last couple of weeks. I am so proud of how hard they are working and how well they are settling into home learning. A big well done to you all. In literacy, we have been exploring different ways to describe characters in stories based on the film Broken: Rock, Paper, Scissors. This week the children then wrote their own version of the battle scene from the story. In maths, we have been working on decimals. Understanding their place value and working on using the four operations with decimals.

Well Done!

STARS OF THE WEEK:

Class 1: Elodie

For all the fantastic learning she has been doing at home. She has been trying to see how many star jumps she can do in one minute, after estimating first!

Class 2: Eleanor

For her incredible effort with home learning and for her creative topic work.

Class 3: Betsy

For her brilliant Roman shield creation. Such care, effort and creativity has gone into it.

Class 4: Archie

For the fantastic effort and determination that he has shown in his work since starting Class Dojo. We are very proud Archie, well done.

Birthday Corner

There have been plenty of birthdays since the school closed...

Happy Birthday to:

Flynn, Hannah, Elodie, Rosie, Archie, Oscar, Mia, Jude, Jacob, Neeha, Noah, Jack, Millie, Carter, Oscar, Emilia, Jenson and Oscar.

Message Board

Coronavirus updates

I hope you are all well and keeping safe during the lockdown. We will be releasing a weekly newsletter to keep in contact once a week and update you with any new information we receive around the school closures. There is currently no date where schools will reopen or guidance as to how to maintain social distancing. We will update when guidance is released.

Class Dojo

We now have all pupils registered on Class Dojo so thank you all. Teachers are working hard, continuing to plan lessons and prepare resources to continue children's learning whilst the school is closed. The work we are seeing is fabulous and so we wanted to continue to celebrate this with stars of the week. Winners receive extra Dojo points through the platform.

VE Day Celebrations

The 8th May marks the 75th anniversary of VE Day, or Victory in Europe Day. We were planning to celebrate the day at school with a street party, full of song, dance, food and cheer, but unfortunately, Coronavirus has put an end to all the public celebrations for the event.

We are suggesting we mark this important event at home and are encouraging children and families to take part in recognising the day. Ideas of activities can be found online to mark the event, however the main ideas are to decorate your house in red, white and blue (indoors and out), make bunting, bake cakes, learn to dance, learn to sing WW2 songs, create celebratory rationed recipes, stay-at-home picnics, and lots, lots more.

Please share any activities you complete by uploading photos or videos through Class Dojo or Tapestry and we will use them to make a display on the school website.

Staff Emails

We recently had an issue with our school emails. This resulted in a change to teacher email address so please see the new ones below. Old email addresses will no longer work.
