Class News

Class One

This week, Class 1 have been using numicon to help us with addition and subtraction. We have been looking at the shapes the numbers make when we place them together. We have been reading 'The Jolly Postman' and along with role playing and writing letters, we have been thinking about how our post gets delivered. Reception have started learning the set 2 sounds, ask them to show you what they have learnt!

Class Two

Happy New Year! This week we have started our new topic on toys. The children have been investigating toys from the past and comparing them to toys from today. We have also been looking at the materials that are used to make toys.

Class Three

We have immersed ourselves into our new chilly topic of the Polar Regions. We have looked at the features of the Arctic and Antarctic, created gloves suitable for a polar explorer and considered the changes by global warming. We used the virtual reality this week to transport ourselves to Antarctica through Google Expeditions. We found out that a male polar bear is the length of 2 children in Class 3.

Class Four

This week in Class 4 we have been learning all about Ancient Egypt and how their inventions still affect us today. As part of our learning, we went on a trip to the Ashmolean Museum in Oxford where the children got the opportunity to handle genuine ancient Egyptian artefacts and see a real Mummy! A big thank you to everyone who helped us with the trip.

Birthday Corner

Happy Birthday to:
Scarlett, Sophia, Ethan, Jules, Isaac,
Gracie and John

Message Board

Happy New Year!

Welcome back to the Spring term, it was lovely to see all you children and parents back after the Christmas break. I hope you all feel well rested, and that Santa was good to you all.

Parents' Evening

Sheets will be going up on the windows of the entrance foyer for you to book a slot to see your child's class teacher. This is a mid year update and you will receive an interim report beforehand to discuss on the evening.

FoSS Classlist

Just a reminder about the new communication tool used by FoSS, called Classlist. This is the main way FoSS will send out information or requests, but it also offers a Marketplace for families of Staverton. If you have any old bits or pieces you wish to sell, you can post privately on Classlist for the Staverton community. Much like Facebook Marketplace but private.

FoSS requests

If you have a cupboard full of mismatching mugs, much like myself, FoSS are looking for donations to stock up for events that they host. If you do have some to donate, please see Vicky or Emma.

Sponsored Walk

In September this year, following an x-ray, Abbie was diagnosed with Scoliosis. Her curve is already 70 degrees, and anything over 40 is sever. Abbie needs spinal fusion surgery and the family are fundraising to have the operation done privately so it can be as quick as possible and reduce unnecessary pain for Abbie. The family have organised a sponsored walk on February 23rd around Draycote Water. If you would like your child, or yourself, to take part, please see Mrs Scott in the office for a sponsorship form. Staff will also be taking part to show our support. You can also donate through Just Giving at:

https://www.justgiving.com/crowdfunding/abbieswishfund?utm_id=66&utm_term=N8eQYA2E7

Staff emails

Some parents have asked for a reminder of the teacher emails.

A Message From Lynn

Firstly, Happy New Year to all!

Well, what can I say? Only what a most wonderful day the school all gave me. I was so overwhelmed and very proud of the way you all thought of me with all your kindness with all your lovely gifts, gift cards, etc, etc. And the fun we had on my last day!

I really loved being part of the school. The children I just loved, and will treasure all the happy memories I had with all the pupils, past and present.

I will miss you all dearly, all my love,

Miss Lynn

xxxx

Our Achievements

Performing Arts – Alice shared a certificate for her PQA group.

Swimming – Alice, Cordelia, Ferne and Keira from Class 1 shared their certificates for swimming. Millie Fox and Lottie shared their certificates for swimming.

Music – William achieved his grade 1 merit for saxophone

Football – Jacob received player of the training session for his efforts.

Well Done!

STARS OF THE WEEK:

Class 1: **Olivia** – For always having such a wonderful, positive attitude.

Class 2: **Oscar** – For his enthusiasm towards his learning and doing everything with a smile.
Elizabeth – For being a super historian.

Class 3: **Isla** – For her refreshing enthusiasm for our polar topic and her brilliant hard work.
Malachy – For his excellent topic knowledge and for being an excellent leader in our DT project.

Class 4: **William** – For his super attitude to learning in our history topic and fabulous manners around school.
Grace – For her fantastic reasoning in maths – measuring.

Going for Gold: **Class 1**

Winning house: **Amber!**
