## Newsletter – 24th January 2020

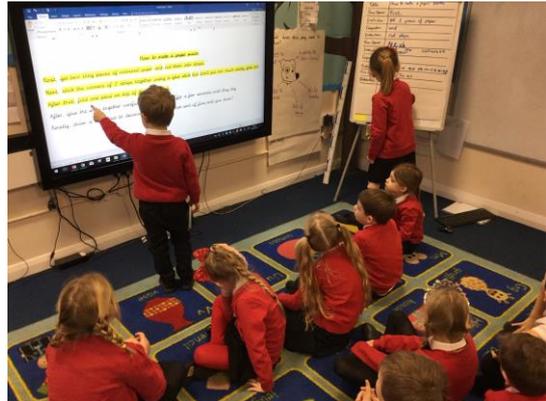

### Class News

#### Class One

Class 1 have had lots of visitors this week! We have been able to ask lots of questions and listen to people tell us all about their jobs as firemen, postmen and doctors. This has been incredibly inspiring for the children and as a result they have produced some amazing writing. In maths, we have been working on counting on or back from a number to support our addition and subtraction. Ask them to show you how they do it!

#### Class Two

In Class 2 this week, we have continuing our work on instructions. The children have been looking at the features of different texts. We have also made our own toys and the related instructions for others to follow. In maths, we have been finding a quarter of different shapes and amounts.

#### Class Three

Class 3 have been continuing their learning about solids, liquids and gases. We have been creating bubbles with liquids and weighing balloons to see if gas weighs anything. Our favourite activity was emptying a bottle full of liquid by exchanging liquid with gas as quickly as possible.

#### Class Four

This week in Class 4, we have begun exploring perimeter and area, looking at how they are measured and can be calculated. In literacy, we discovered that the Pyramid of Giza has been stolen, and we have been writing newspaper reports to inform the world about this awful crime.

##### Mid Year Reports

Your child should bring home their mid-year report today. This is a brief summary about progress so far this year and has targets your child needs to work on going forward. The report will be discussed at parents' evening next week. Meetings are 10 minute slots so if you have a need for more time to discuss, please call the school or speak to the class teacher to arrange a longer meeting on another day.

##### Sponsored Walk

In September this year, following an x-ray, Abbie was diagnosed with Scoliosis. Her curve is already 70 degrees, and anything over 40 is sever. Abbie needs spinal fusion surgery and the family are fundraising to have the operation done privately so it can be as quick as possible and reduce unnecessary pain for Abbie. The family have organised a sponsored walk on February 23<sup>rd</sup> around Draycote Water. If you would like your child, or yourself, to take part, please see Mrs Scott in the office for a sponsorship form. Staff will also be taking part to show our support. You can also donate through Just Giving at:

##### FoSS Classlist

Just a reminder about the new communication tool used by FoSS, called Classlist. This is the main way FoSS will send out information or requests, but it also offers a Marketplace for families of Staverton. If you have any old bits or pieces you wish to sell, you can post privately on Classlist for the Staverton community. Much like Facebook Marketplace but private.

##### Staff emails

Some parents have asked for a reminder of the teacher emails.

**Staverton's Got Talent**

Our Annual Competition takes place on Tuesday 4<sup>th</sup> February, in the school hall, from 6-7pm.

Children are invited to share their skills in the competition with a short performance. Previous years have seen singers, dancers, gymnasts, magicians, comedians, musicians, actors...the list goes on. Please discuss with your child if they would like to enter and help them perfect their performance.

Auditions will take place the week before which will offer advice to children on performing their acts for the big night. There is a KS1 competition and KS2 competition on the evening.

## Postman Delivery

Class 1 had a visit from our local postie this week. He came in to class to help explain where our letters go after we post them and how he helps deliver all the mail of Staverton. He brought in some free gifts for the children to play with, and let them have a go in his postal van.

## Firefighting Visitors

Class 1 had a visit from the Daventry fire fighting crew this week. They told them all about keeping safe and how the fire fighters keep themselves safe in the dangerous job. The children also got to see the equipment they use and the fire engine!

## Our Achievements

**Swimming** – Jacob shared his certificates for swimming, including 800m (32 lengths!). Rupert, Phoebe and Jack share their swimming certificates.

**Ballet** – Kiera shared her distinction, Isla shared her trophy

**Football** – The school team competed in the County championships this week, finishing in joint second that had to be decided by a penalty shoot out. Well done to Alfie, Ben, Lawrie, Oscar, Poppy-Mae, Josh, Jacob, John and Tom.

**Brownies** – Liliane share her brownie badges.

## Well Done!
