Class News

Class One

This week in Class 1 we have started our new topic. The children have been finding out about space and have shared some super facts. Reception have been writing some brilliant sentences using this information. In maths we have been looking at our understanding of 9. The children have been working so hard at home, I can't wait to see them all again in school very soon.

Class Two

This week we have been finding out all about Christopher Columbus and what it is like to be an explorer. We have used this new information to compare his voyage with Neil Armstrong's Apollo 11 Mission. Thank you for working hard as always Class 2!

Class Three

Class 3 have delved into their new topic "Land of hope and glory". This topic explores the geography of the UK. They have located countries, counties and settlements in the UK and have applied important skills to their learning. Children have explored their local area using compass points and they have even created their own four-figure grid reference grids to test Mrs Young!

Class Four

This week in Class 4, we have been immersing ourselves in the history of Anglo-Saxon Britain, exploring the question: Were the Anglo Saxons really smashing? Class 4 have had lots of fun invading the east coast of England, building Saxon houses and designing their own Anglo-Saxon jewellery. Super well done to all of Class 4 who are working from home, keep up the fabulous work!

Well Done!

STARS OF THE WEEK:

Class 1:

Kiera – for her brilliant counting.

Romeo – for his fantastic effort in phonics.

Class 2:

Cordelia - for her creative recording of her work using purple mash.

India - for coming in to the classroom with a smile and trying hard with all of her work.

Class 3:

Amelia - for always having lovely manners and showing all the school values.

Hollie - for her brilliant understanding about tenths in our fractions learning this week.

Class 4:

Daisy – for settling back into class learning so well and her super algebra skills.

Ashleigh – for her fantastic dedication to home learning and her super Anglo-Saxon house design.

Messages

8th March

Great news this week that all children will be returning to school on 8th March. Please be assured that we will continue to be doing all that we can to keep children, families and staff safe with our procedures and routines laid out in the letter that came home this week, along with our heightened cleaning routines. We look forward to seeing everyone that Monday!

Music Lessons

If your child is learning an instrument, please ensure they bring it along the first week back.

World Book Day

Thursday 4th March is the official World Book Day, but Staverton is going to celebrate it on Monday 8th March so that all the children can dress up on their first day back at school. Please can children come to school dressed as a favourite book character.

Red Nose Day

Friday 19th March is Red Nose Day – a little way of giving us the power to change the world for those less fortunate than ourselves. It is also an opportunity to have a little fun in the process. After such a hard year with the Coronavirus pandemic, we thought we would have a good giggle at school. Mrs Scott is setting up an option on Parent Pay that allows parents to donate straight to the Red Nose Day charity. On the Friday, we would like all the children to come to school dressed as a member of school staff: a teacher, teaching assistant, office staff, school cook, cleaner, head. It does not need to be to mimic a current member of staff, but how a grown up in a school could look. In return, the staff are going to dress as pupils for the day!
