Class News

Class One

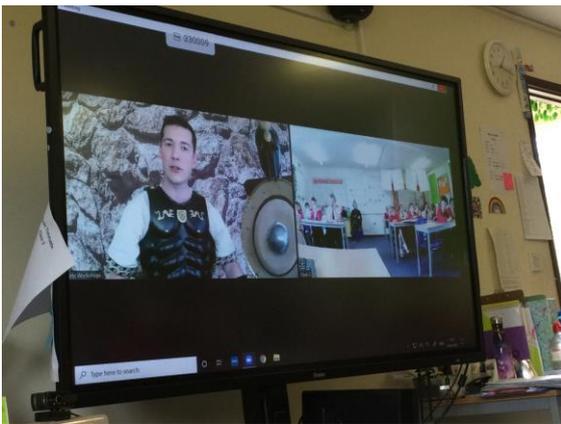

This week in Class 1 we have been finding out about different animals. We have grouped them according to their features and found out lots of facts. Reception have been applying their phonic knowledge brilliantly to write sentences sharing the facts they have learnt. In maths we have been looking at how numbers bigger than 10 are made up, as one 10 and the corresponding number of ones.

Class Two

This week we have been learning about Kenya and comparing it to the UK. As part of the topic, the children took part in two PE lessons based on the book 'Handa's Hen' following the story and working with partners to mirror one another.

Class Three

Class 3 have enjoyed their Ancient Greece immersion week. We have enjoyed taking part in our Olympic games afternoon where we tried many different events. We have also re-enacted an Athenian democratic meeting where we were able to vote on important classroom matters. We enjoyed a visit from Alexander for a workshop.

Class Four

This week in class 4, we have been immersing ourselves in all things Viking. Learning about their origins, their trade routes and why they came to Britain. As part of our learning we were very lucky to be able to take part in a Viking Workshop with Bjorn the Beardless. The children had a great time learning about Viking battles and warfare and being able to see first-hand some replica Viking weapons.

Tuesday Music –	Class 3 (2:55 – 3:25)

Monday – Piano & Keyboard
Tuesday – Strings
Friday – Guitars

Birthday Corner

Happy Birthday to:

Noah & Jack

Message Board

Parent Consultation Meetings

Our parent consultation meetings are being held remotely again this term. You should receive an email from school today with the details of your meeting. Please arrive 5 minutes early to your meeting and join the waiting room. Teachers will need to be prompt with meeting times and so please do not feel they are being rude by bringing the meeting to a close. As always, staff are available via a phonecall or email at other times should you have any concerns.

Summer Fayre

After speaking to FoSS this week and the Trust, we have made the decision to cancel the summer fayre this year. Even with the Prime Minister telling us the date of 21st June will remove restrictions, this leaves limited time and too much uncertainty. Schools have received no guidance about the removal or reducing of restrictions currently in place and we foresee the current arrangements being in place for the remainder of the year.

School Uniform

As the weather is slowly improving, can we remind you that classrooms are still well ventilated and therefore not as warm as normal. Please take this into account for deciding whether children are wearing their shorts and summer dresses at this point in the summer term.

Recent Fundraising

Silly Socks Day aimed to raise awareness of autism through highlighting that every child is different and special in their unique way. We had some brilliant displays of each child's uniqueness by their choices of socks for the day. Thank you for the donations which managed to raise £83 for Autism East Midlands.

Children in Need saw children come as adults and vice versa. The creativity of the children was fantastic and really made us all giggle. We managed to raise a whopping £219.09 for the charity.

Future Dates

Dates opposite are provisional bookings which we make in advance to allow parents to plan their schedules. These dates are subject to change and events may not occur in their usual format. Currently, we a planning child-only and non-mixing of bubble events. Certain events will be recorded to share with parents. More details will follow.

Well Done!

STARS OF THE WEEK:

Class 1:

Harry: For always showing confidence to follow his own interests.

Connor: For his super knowledge about animals and brilliant sentence writing.

Class 2:

Oscar S: For his independent learning and contributions to our Africa topic.

Emilia: For being a super helper around the classroom and to her talk partner.

Class 3:

Lilly: For her passion for reading, particularly about our new topic 'Ancient Greece'.

Brooke: For always trying to challenge herself in her learning and for showing the school values every day.

Class 4:

Corey: For his contributions in class discussions and hard work during immersion week.

Jacob P: For his fabulous work on ratio and super focus in class.

Gold Card Winners: Class 2

House Point Winners: Sapphire!

Our Achievements

Oscar went to football camp in the holidays and received a trophy for 'Most Improved Player'.

Noah and Grace went to Go Ape in Coventry where they scaled the dizzy heights of 16m, traversed the high-level obstacles and zoomed down the zipline. The pair are fearless and have the certificates to prove it!
