Class News

Class One

We have been reading the story 'Brown bear, brown bear what do you see?' The children have been repeating story language and using it to structure their own writing. We have been using number lines to support addition and filling in missing numbers. We had lots of fun at forest school this week, the children were able to show fantastic teamwork skills building stick towers!

Class Two

This week, we have been learning all about different animals and how they are grouped by thinking of their different features. All the children have done a great job running their marathon laps this week too, well done!

Class Three

Class 3 have explored push and pull forces in Science this week. We then asked, "Are there any other forces in action?" We explored how friction works and then tested cars and cotton reels on different surfaces including sandpaper, carpet and our wooden desks.

Class Four

This term, Class 4 are entering the Northamptonshire Sport virtual tennis competition and this week we completed the second section of the competition: Double Trouble, working on our hand-eye coordination skills. In maths this week, we have been investigating line graphs, exploring how to read data on line graphs and how to draw them.

Jul 16 th	Parker Transition Y6 End of school year

Marathon Milestones:

10k: Hannah, Oscar S, Jack M & Max
½ Marathon:
30k: Daisy & Issy
Marathon:

Clubs & Music:

Monday Art – Class 4 (2:45 – 4:00)
Monday Gardening – Class 1 (3:15 – 3:45)
Tuesday Multiskills – Class 2 (3:05 – 4:05)
Tuesday Music – Class 3 (2:55 – 3:25)

Monday – Piano & Keyboard
Tuesday – Strings
Friday – Guitars

Birthday Corner

Happy Birthday to:
Emilia, Jenson & Oscar S

Message Board

DfE & PDET guidance

We are very pleased to see that DfE and PDET guidance is beginning to change in line with Coronavirus national restrictions. These are small steps and a slow process to maximise the safety of the whole community. At present, we are allowed to begin booking trips again and using coach travel, all fully risk assessed and maintaining school bubbles. This is a great sign that the government roadmap out of lockdown is working. We will keep you up to date with changes as they occur, but it will be gradual change and all restrictions may not be lifted until September.

Royal Mail Heroes Competition

Royal Mail have launched a competition for children to design a new set of stamps to represent the heroes of lockdown. This is only the fifth time children have had the opportunity to design stamps and a great opportunity. We are asking our children to take part with an assembly today and sending information home. As an outside competition, we need consent for children to enter due to UK GDPR requirements.

After-school Tutoring Sessions

Next week will see our after-school tutoring sessions begin for classes 2-4. These sessions are opportunities for children to use our school technology and adult support to focus on any areas of learning they need support with. Children will be invited to the sessions due to technology resources and invites should not be seen as a cause of concern for parents. Further information is attached to this email.

School Uniform

As the weather is slowly improving, can we remind you that classrooms are still well ventilated and therefore not as warm as normal. Please take this into account for deciding whether children are wearing their shorts and summer dresses at this point in the summer term.

Future Dates

Dates opposite are provisional bookings which we make in advance to allow parents to plan their schedules. These dates are subject to change and events may not occur in their usual format. Currently, we a planning child-only and non-mixing of bubble events. Certain events will be recorded to share with parents. More details will follow.

Well Done!

STARS OF THE WEEK:

Class 1:

Bronwen: For some super counting.

Lucas: For using finger spaces brilliantly in his writing this week.

Class 2:

Keira: For her super use of adjectives and conjunctions.

Oscar E: For using his knowledge of animals in his partner talk.

Class 3:

Rupert: For his improved presentation in his Maths book. Well done!

Kyle: For his great effort in every lesson this week.

Class 4:

Malachy: For his super work on line graph problem solving.

Ben: For his super work creating his own diary entry and great contribution in class.

Gold Card Winners: Class 2

House Point Winners: Emerald!

Our Achievements

We have continued our **Trek to Tokyo** challenge as a school. We count up all physical activity and convert it to a distance covered. Last week, we have accumulated enough school miles to run all the way to Barcelona this week, a total of 1381.3 miles.

checkpoint 4

Olympic Spotlight: USA's Dream Team slam dunks the Gold
With many of the world's best players, the United States of America formed what many have called the greatest sports team ever assembled. Superstars such as Michael Jordan, Magic Johnson and Larry Bird were all part of the 'Dream Team' as they won all six of their matches, averaging over 120 points a game. They claimed the Gold in the Olympic Final against Venezuela 127-80.

Team GB's Redmond wins the hearts of the globe
Half way through the Semi Finals of the 400m, sprinter Derek Redmond suffered a hamstring injury which would end his hopes of making the Final.
While most would give up, Derek refused medical help and stood back up, slowly making his way to the finish line. His father, Jim, made his way onto the track and helped him cross the line to a standing ovation by the 65,000 spectators.
