Class News

Class One

We have read the story of the very hungry caterpillar. Reception have done some super non-fiction writing and had a go at learning a text map to retell the story. We have been developing our understanding of odd and even numbers; shared amounts between two and started to recognise halves and doubles. The sun was shining at forest school this week and the children had lots of fun making houses for a goblin village!

Class Two

This week the children have been learning time and they have been doing a great job! They have also been working on mixing colours and using their new skills to paint a minibeast. Well done for another fantastic half term.

Class Three

Class 3 have enjoyed recapping how to punctuate direct speech. We supervised our speech and used giant inverted commas to help us remember the success steps for punctuation. In RE, we have created Pentecostal art using inspiration from artwork in local churches.

Class Four

Class 4 have been studying 'The Jabberwocky' by Lewis Carroll, and greatly enjoyed unpicking his nonsense words used in the poem and came up with some super new ones too. They then used this narrative poem to create their own stories about Alice and the Jabberwocky. Class 4 have had a fantastic term back at school. Well done everyone and have a fab half term break.

Monday – Piano & Keyboard
Tuesday – Strings
Friday – Guitars

Birthday Corner

Happy Birthday to:
Oscar T & Max

Message Board

Half Term

Today marks the end of our fifth term this year, and hasn't it flown past! When we return, we only have 6 more weeks of school before the summer break and edging evermore to normality. Next half term is always a busy one with events, and we are going to keep them going as much as we can, just in slightly different formats. For now, I wish you all a safe, fun, sunny and relaxing holiday.

PDET CEO

Duncan Mills has been PDET CEO since January 2018 and has announced his retirement at the end of this academic year. We are delighted to announce that our very own Ruth Walker-Green has been appointed as the new CEO from September. Ruth was former headteacher of Staverton, became the PDET director of learning and achievement and now progressed to CEO. We wish her many congratulations and know the Trust is in good hands with an exciting future.

Royal Mail Stamp Competition

The Royal Mail competition has now closed. Thank you to all the children who entered a stamp design and there were some great ideas of who the heroes of the year were.

Lilly Gardener

After completing her final art sessions, Lilly would like to pass on her many thanks for the beautiful gifts she was presented on her last day. Thank you to all who contributed. She loved the gardening gloves, hand cream, cakes, prosecco, book, art bag and crafts, and said they will all be put to good use on the coast.

Books for the library

Please nominate us for a chance to win £5000 worth of resources for the library via this link: <https://www.nationalbooktokens.com/schools>.

PE Days

PE days are changing for Class 3 and 4 after half term. Class 3 will now be Tuesday & Thursday
Class 4 will now be Monday & Wednesday

After school clubs

Clubs after half term will change again to give children to opportunity to have different experiences. Class 1 will continue with Gardening Club as they are half way through projects. Class 2 will have music, Class 3 computers, and Class 4 cricket. Please see dates and times opposite and contact the office to book.

Well Done!

STARS OF THE WEEK:

Class 1:

Reuben: For his super understanding of stories.

Esme: For writing a story!

Class 2:

Elodie: For her perseverance in her writing and for working hard on her writing target.

Max: For his great understanding of time.

Class 3:

Lilly: For her fantastic understanding of magnets and magnetic materials.

Sophie B: For her great understanding of analogue and digital time.

Class 4:

Riona: For her fantastic work identifying missing angles in polygons.

Bronwyn: For her superb use of formal language and style in her discussion writing.

Gold Card Winners: Class 2

House Point Winners: Ruby!

Our Achievements

Phoebe and Jack both played their 1st game of Rugby this season last Sunday. They earned a medal for their participation and both scored tries for their team at Daventry Rugby Club.

Riona Has received medals for her end of season rugby awards and acknowledgment of her fabulous art skills.

Alice completed stage 3 in swimming and moved up to stage four.

Isla completed stage 5 in swimming and moved up to stage six.

Liliane received her bronze certificate and medal for gymnastics fitness.

Kyle played in an amazing rugby match against Northampton BBOB who have play fantastic rugby this year.

Jenson was student of the week for his drumming lessons.

The school have trekked 3797.1 miles which takes us even closer to Moscow!

Whole School Cricket

On Wednesday, Class 4 took part in Northamptonshire Sport's footgolf and orienteering challenges at Daventry Sports park. Despite the sunshine hiding from us, everyone had an amazing time and really enjoyed being out and taking part in competitive sport again. The winners of the orienteering were the 'Flying start' team, for being the first team to complete the course and their fantastic team work. Congratulations to Jacob, Summer-Tru, Corey and Bronwyn. In the footgolf, Malachy and Archie took first place with a superb score of 38.

FoSS Are Fundraising!

In what has been a very difficult year for everyone, it has been incredibly hard for our wonderful FoSS team to raise funds in a safe and Covid-compliant manner. Now we are all more comfortable with routines and expectations, and that restrictions are slowly lifting, FoSS are back with a bang for the last half term.

Upcoming for next half term:

Friday 18th June – **Break the Rules Day**. Please see attached poster. Children pay £1 for each rule broken on the day.

Staverton Raffle – buy a number square (or several) from our grid before and after school to enter our raffle. The draw will take place on 9th July and prizes include alcohol, artwork, sports equipment, food, drink, and more.

Ice pop sales – children will be able to buy ice pops after school from our FoSS team. Bubbles will be served within their end of day times and social distancing expected for safe service.
