Class News

Class One

I am so incredibly proud of how far Class 1 have come this year. They have taken COVID lockdowns and restrictions in their stride and grown so much, learning lots along the way! We have had a lovely last week together, reviewing and applying skills and sharing stories. Have a great summer everyone!

Class Two

This week we have finished our DT projects and they look fantastic, the children have worked so hard and I'm really impressed with their efforts. They have also finished writing their description of the wolf. This year has been difficult but the children have been resilient and strong and I am incredibly proud. Well done class 2, you have been amazing as always.

Class Three

It has been a pleasure to teach Class 3 again this year. Their resilience, effort, compassion, kindness and growth is inspiring; particularly through the difficult restrictions again this year. I wish all Class 3, and their families, a great summer!

Class Four

This week in Class 4, we have been exploring how to use speech to show character in stories and learning about the role of evolution in animal adaptation. Have a fantastic summer Class 4. Year 5 I look forward to seeing you as new Year 6 in September and Year 6 we wish you lots of happiness and success for your move to secondary school.

Alice B, Franky-Bill, Olivia, Lucas, Summer-Tru, Nikoly, Hollie, Kahlen, Reuben, Jessy, Brooke, Sophie B, Jack M, Sophie G, Riona and Molly W, Rosie!

Message Board

End of the year!

This is our last newsletter of 2020/21. What a year we have had! We would like to say thank you to the children, parents and staff for their hard work and effort through this year. As we say in our collective worship, we light the candle to remind us that Jesus is the light of the world and we are never alone. With his love and the love of our friends and families, we can beat anything.

Have a peaceful, safe summer,

From all the staff and governors at Staverton!

Farewell Year 6!

Dear Year 6

This year may have been unlike any we have experienced before, but you have shone throughout, taking everything in your stride and always trying your best. You have worked your socks off this year and you have made us all very proud. Well done for everything that you have achieved this year and all that you have become in your time at Staverton. Remember your time here at Staverton with happiness and take with you to secondary school, your fantastic memories, your Staverton values and most of all your determination to do well. Best wishes for your move to secondary school next year.

Mrs Bell

Books for the library

Please can I draw your attention to the website below. We are a small school and the more nominations we receive, the better chance we have of winning. Please nominate us for a chance to win £5000 worth of resources for the library via this link: <https://www.nationalbooktokens.com/schools>.

Parking

Please can I remind parents not to park opposite or outside the school gates at the beginning or end of the day. Parked cars create a dangerous area where our children cross the road as moving parked cars block line of sight for pedestrians and moving cars. Children do not realise that cars are pulling away from the kerb. The Class 4 bubble seems to have more cars parked out front.

Stars & Achievements**

Well Done!

Gold Card Winners: To be announced in September!

House Point Winners: Amber

Rotary Stars

We at the Rotary Club of Danetre/Daventry have heard from your teachers that there are some children at your school who are doing some outstanding things that merit praise and recognition, especially during this difficult time when things have been so different because of the corona virus. We decided to ask your teachers to choose some of these children to be awarded a Rotary Star and a small gift to show that their hard work and dedication during lockdown to continue their learning merits an award. The following children were chosen and have been awarded with a certificate and a £10 gift voucher.

Class 1 – Esme, Isla and Jake

Class 2 – George, Alice and Ferne

Class 3 – Gracie, Kyle and Lottie

Class 4 – Darcey, William and Harry

Outside achievements

Lottie was awarded her Gold Advanced Proficiency Award for Hand Held Apparatus, which she has achieved at gymnastics recently. Well done Lottie!

Oscar S took part in his first football match with his under 7's team at Drayton Grange. Their team won the match. He also took part in the Rugby junior parkrun on Sunday and achieved another new PB. Great work Oscar

Jack P was awarded his certificate of achievement for completing a kayaking course. He demonstrated his super paddling skills and was the youngest member by many years. Well done Jack!

Thank you FoSS!

A huge thank you to FoSS for their fundraising this year including the sale of ice-lollies, the raffle and 'Break the rules' day! Thank you to the whole school community for your support and donations for the events this year!
