Positive Feedback

Well done to all of you. You are doing an excellent job under very difficult circumstances.

This is a little gem of a school. Love it and the people that make it so wonderful. Thank you all!

Absolutely brilliant school and excellent teachers.

This school has been a brilliant environment for my child so far. Miss Harlin is a fantastic teacher.

Need more comms from class teachers eg which topics/subjects they're covering that term..

I cannot rate this school highly enough. We are extremely happy with all that is done by the staff.

We are absolutely thrilled with how our child is getting on at school - it's a joy to see.

Wonderful, friendly school that truly does the best for the children in its setting. Thank you.

I'm over the moon with Staverton. I can't fault anything and would wholeheartedly recommend to all.

We love Staverton. The teachers are amazing and a credit to you.

Excellent school, providing an outstanding grounding for the step up to secondary school.

Very nurturing school with approachable, professional teachers. Family feel. Children progress well.

Wonderful school.

My child has had many happy uncomplicated caring years here- will be sad to leave for secondary.

Excellent school, that is managing brilliantly in these difficult COVID times.

Having started at a different school I seen the changes in my child that Staverton school made him.

[My child] is coming to the end of his Staverton journey and he has thoroughly enjoyed every part of it!

Wonderful school.

Absolutely fantastic school. All staff are incredible, both my children love it there.

Couldn't recommend this school more. So thankful I sent both of my children here.

We are truly blessed to have such wonderfully dedicated and enthusiastic teachers and support.

A wonderful school, where our children have thrived and had a wonderful start to their education.

I couldn't be more thankful on how they have made her settled and happy.

Areas for development

Being able to obtain a report from Tapestry for progress in each area would be great.

We would like to have more feedback on what our son is doing each day so we can support at home.

I would like more information on class dojo about what they are doing each day.

Unfortunately, due to tech issues beyond anyone's control I've not had a parents evening update.

Very happy overall Would like more updates/feedback on my childs progress maybe through class dojo.

Would love to have a little bit more communication on what my child struggles with so I can help.

Need more communication with parents. Update topic maps so parents can support at home.

The only thing I am unhappy with is the accelerated reader scheme.
